Sigh – it's wash day round at Tiffany's. "Isn't spunk hard to get out?" she moans. Not really – we've always found it pretty painless. "I mean cleaning it off my clothes you prick! I'm pretty abandoned in the bedroom and that means mess. I had a bukkake party in my bedroom a few nights ago. I love taking five or six creamy loads all over my face but I'm always stuck with the tidying up. At least I can sit on the washing machine while it's on spin!"

Pyjama tarty

Recently, I got an email from one of my mum's mates. Her daughter was coming up to Sheffield for a gig and she wondered could I put her up for the night. I said yes but had a bit of a shock when I saw the girl: at nineteen, she was an absolute stunner.

When she got in after the gig, I had beer and pizza waiting, but before she sat down on the couch to eat, she changed into her pyjamas. I tried to behave myself – really I did – but when she started coming on to me, I caved pretty much straight away.

Within minutes we were

**ANNETTE,
S. YORKS**

snogging and stripping each other, ending up with her straddling me on the settee.

She rubbed her knickers up and down my shaft and over my balls. Then she

draped them over my face. As I breathed in the scent of her, she just rose up and then powered down on my prick, taking it into her tight, wet snatch. Then she screwed me hard, pumping me with her inner muscles. I tried to hold back – I was meant to be the experienced one! But it still only took me a couple of minutes to cum, shooting my load inside her.

She shuffled up my body, playing with the spunk and juices that were dripping out of her, letting them splash all over my chest. She said she'd got bored of lads her own age – that's why she'd come up to the gig alone. She'd hoped to pull an older bloke in the crowd, but then she'd realised I'd do nicely.

James, Sheffield.

Going too spa

My best friend Philippa and I just went on a spa break. She's a bit of a fitness freak and talked me into coming running with her in the grounds first thing in the morning. I agreed

– seeing how toned and beautiful her body was from exercise would have given anyone a reason to try it.

On the second morning, as we turned around to head back, Philippa said, "Race you!" I knew I didn't stand a chance of beating her, but I just went for it anyway. I was panting for breath by the time I caught her up, but the two of us were on a high.

She gave me a big hug, then we walked to our room, arms slung around each other.

Immediately we went inside it, Philippa ducked into the bathroom and turned on the shower. "Fuck off! You had the first shower yesterday," I said. She blew a raspberry at me but wasn't quick enough

to stop me coming into the bathroom. She was halfway through undressing, but I just kicked off my trainers and ducked under the shower in all my running gear.

She laughed, but she was looking at me too, at the way my already tight outfit clung to my body. I took off my top, knowing she'd be able to see my nipples through my wet white sports bra. That was enough for her – now totally nude, she got under the shower with me, fingers walking down over my spine to caress my arse cheeks as

covered with foam – such a horny sight, especially when I melted it all off again with the shower. She asked me to scrub her back, so she turned around and I grabbed the sponge and more gel. Her skin was extra-soft and gorgeous from a beauty treatment she'd had the day before, so just running my hand over it was a treat. Then I worked my way down, kneeling

and pussy for a wash.

"Well, I reckon you can safely say I'm bi now," I said.

because her head was under the shower. I think she got the message as I started running my tongue up and down her furrow. She took over soaping her own body as I licked her, little shudders running through her whenever either of us hit a sensitive spot. It took a while and a bit of experimentation, but eventually I had her cumming, her pussy going into spasm around my fingers as I sucked on her clit.

"Shame the shower's fixed to the wall," she said, as we kissed underneath the spray and her fingers found my cunt. I guessed what she

she kissed me.

She grabbed my bottle of shower gel and squirted it down in between us, so it would lather up as we rubbed our bodies together. This left her tits and stomach all

on the shower mat, my face level with her bum. I told her to bend over and she did, parting her legs slightly so her crack and slit opened up, exposing her arse

"Do what?" answered Philippa, unable to hear me

had in mind – what girl hasn't used a shower against her clit, or at least been tempted to give herself a bit of a thrill from time to time?

She didn't bring me off right then and there – instead we dried each other off and got into her bed. She rummaged in her make-up bag and got out this mini vibrator. It may have been small but it had a kick to it – she switched it on and touched it to my clit as she went down on me, her tongue working in and out of my hole as she moved the vibrator over my bud. I'd used sex toys before, but having my gorgeous friend do it for me was such a massive turn-on – I suddenly started cumming and it felt like I wasn't going to stop.

Back at home, there are times I'll gaze at her mouth while she's talking, imagining her kissing me again. I think she's getting tempted too!

JACQUI, WEST YORKS.
54 years old. Letters, p. 7.
"Photoshoots outside are so horny – there's always a chance you might get caught!"

Escort stalwart Jacqui (vol 32 no 10) has a weekend to remember with a stranger's stiffie...

Dear Escort,

Thank you for printing my story and pictures in *Escort* vol 32 no 10 and of course for all my letters! I am sure there will be some more of my 'adventures' to send you shortly!

One, particular letter was from Tom and Nicole who I mentioned in my 'car' letter. We thought we had lost touch; so it was particularly nice to get a letter from them. They now live abroad and we hope to meet up shortly.

I am enclosing twenty pictures, taken at the Docklands Raddisson Hotel after we recently went down to see *Jesus Christ Superstar* (sacrilegious!).

That evening after a bottle of wine, we went back to the bar to enjoy a few pints of larger when 'obliging Dave', my partner felt it only fair to let older guy John who had shared our table come back to our room to watch Dave

John was a lovely guy and when I really got going with my glass dildos, it proved too much for him. Egged on by Dave, who was already naked and really horny, John couldn't bear it and asked if I would mind if he wanked whilst

he watched.

After withdrawing my anal dildo to lick, he held the longer one in my pussy. John apologised as he shot his load all over my tits and belly: he was so, so grateful!

We have no idea why Brit's so popular!

Slam Dunk

Seeing my photos printed in *Escort* 32.11 sent my husband wild and I have to admit it turned me on too.

Last week, hubby was working away from home so I decided to take some dirty photos and send them to him to guarantee a real dirty pussy-licking weekend when he returned.

I stood in the mirror and

found him reading my story and rubbing his cock. I undid my robe to reveal my naked body enclosed in sexy underwear and asked him if he would like to help me take some dirty pictures. He didn't need asking twice and he quickly followed me up the stairs.

I handed him the camera, got out my biggest dildo and started to suck on it while he watched. I was licking and sucking this great big dildo

wanking his huge cock off over my arse while he watched the dildo slamming into me.

It really turned me on to see him wanking over me and I decided that I

wanted a go on his massive manhood. So I dropped my dildo and spun round so that I could engulf his

I SANK MY WET MOUND ON TO MY HUSBAND'S MATE'S FACE

started to take some snaps, posing as sluttily as I could. I was getting really into it and was soon very horny.

Just then the doorbell rang. I slipped on my robe and went to see who it was. I was pleasantly surprised to find my husband's rather sexy best mate on the doorstep. I invited him in and straight away he noticed my fishnet stockings and asked me why I was wearing them on my own in the middle of the day.

So I handed him my copy of *Escort* and told him to have a look at my pics while I went to make us a cuppa. When I got back to the front room I

and all the while his eyes were glued to me so I slowly spread my legs open to reveal my warm shaven pussy.

He put the camera down and quickly took his clothes off. I took the dildo out of my mouth, got on all fours, grabbed my arse cheeks and pulled them apart so he could get a good look at my now dripping wet pussy.

I told him to get some close-up pictures of it and as he started taking them I slipped my big vibrator into my throbbing pussy and started to fuck myself. I could hear him moaning and I looked behind me to find him

big hard dick I my mouth. I began sucking fast, licking up and down his shaft. I reached down to pay with my pussy again, rubbing my throbbing clit as I pushed my fingers in and out as fast as I could.

I wanted him to taste me so I got on top of him and sank my wet mound onto his face. He slipped his tongue into my slit and started to lick me. I grabbed his dick and began wanking it up down. I was grinding my pussy on his mouth, feeling his tongue exploring.

I leant down to take his huge balls in my mouth and sucked on them, massaging his sack with my lips and tongue. His tongue on my clit felt so good that I was soon exploding my juices all over his face and in his mouth.

He grabbed my waist and bent me over. Before I knew it his cock was slamming in and out of me. My pussy was so wet and warm and was still throbbing from my orgasm only seconds ago. I could feel his balls slapping against my slit every time he thrust his enormous cock deep into me.

Within minutes I was ready to explode for a second time. It must have felt pretty good for him as just after I finished he pulled out to cum all over my soft round arse.

So I got a mid-week hammering, he got hot sex with his best mate's missus and hubby got to see all the photos. We were all winners!
Nicky, London.

Secret sex

Here's a little bit about myself. I'm 28 and work in a solicitor's office.

Okay, that's the boring bit over with. More importantly, I'm sex mad and love taking risks when it comes to sex.

I was out with my friend Kitty, a gorgeous 36-year-old married lady. We were at the pub eyeing up the lads, when the conversation turned to fit girls.

Kitty then asked me if I

no problem, as I myself had had one or two experiences with women.

So then the conversation really progressed, and out came another secret. Kitty told me she and her husband Alan had discussed having a threesome with me, but weren't sure of my preferences.

I was starting to feel wet and my clit was twitching. Kitty leaned over and put one hand on my knee. "Alan's at home. Fancy it?" she asked.

I thought for a moment of what it would be like fucking Alan and Kitty. I agreed, because Alan is quite hot too. Kitty phoned

in front of him and took his swollen head into my mouth.

Kitty got behind me, lifted my skirt, pulled down my knickers and started to finger-fuck me. Alan then suggested we move to the bedroom, which we did.

I sat on the edge of the bed and watched Kitty strip. When we were all naked, Kitty pushed me back on the bed and started to lick my pussy.

JAYNE, WORCESTER

decided to give Alan some treatment. We laid him on his back and Kitty sat on his face. I sat on his hard throbbing cock.

It wasn't that long but was really thick, and the way it felt inside my wet pussy was something I'll never forget. Kitty and I then switched places. Alan's hands were all over my arse and tits, touching every part of my body.

He was licking my clit hard and fast, and within a few minutes I came like thunder. The inside of my pussy was pounding, and I just had to have his cock in it.

He got in behind me while Kitty lay in front of me with her legs wide open and her dripping pussy crying out for my tongue. Alan gave out a great moan as he entered me, but he was not moaning as loudly as I was.

I was so excited and turned on, and I ate Kitty's pussy till she came again and again. Alan's moans were getting

Cock sure

I've been called a big-headed bastard in my time, and I won't deny

it. But one thing I'm not is a bullshitter. I may mouth off about doing something, but every word of it will be the truth – nothing added.

One night recently I was down my local, telling the lads about a girl I'd shagged at the weekend. I must have been talking even louder than I thought – which is saying something. About half an hour later, I was chatting up this seriously fit girl at the bar. She let me give her all this chat for a bit, then smiled sweetly and said, "What, do you want to do me a favour – like you did for that other bird last weekend?" She said that, much as she wanted to

hate me for my attitude, the stuff she'd heard me say had turned her on. And if I wanted to go home with her, she was leaving right now. I followed her out.

Her name was Abi, and once we were back at hers, she didn't waste any time. Her clothes were soon lying in a heap on the floor, and it looked like she

hadn't even bothered with underwear before going out. There was a leather armchair in one corner of the room and she bent over it, hands braced on the arms. A few snogs and a couple of quick feels through her clothes had been enough to get her pussy juices flowing nicely.

I used some of them to wet my cock, rubbing myself stiff. I wanted her as much as she wanted me,

but I decided to make her wait while I enjoyed the sight of her horny bum. I played with it, trying to work out where I wanted to fuck her first. The pussy seeping its fresh wetness, or the tight pink arsehole just above it.

The decider was when I touched my fingertip to her bumhole, feeling a little quiver. Wetting my finger in more of her juices, I started easing it inside, moving it in little circles as I pushed in just that little bit deeper every time, until it was up her arsehole right to the knuckle.

As she reacted, her

breathing getting fast and shallow, I told her I bet she'd like my cock up there even better. That I'd never fucked a girl who hadn't loved it. I laid the arrogant bullshit on really thick. For all she reckoned, perhaps even believed, she hated it, something deep inside her was really loving it.

I pulled it out again, watching for another little quiver of anticipation. Then, just as slowly, I pressed my cock up to her arsehole, slathering on loads more juices before pushing in. I never rush anal and this time I just hung on, cock deep inside her arse. Abi stayed still, too, breathing deeply and just relishing the size of me. Then I reached around and started frigging her clit.

"Go on, then," I grunted. "Tell me how much you like my cock..." She hung on for ages, silent, but when I started pulling it out, she virtually begged me to stay inside her until she came.

I obliged, telling her it worked both ways - I loved

her tight arse too. And I gave it a playful slap, sincerely hoping it would annoy the fuck out of her. I think it did, as she took it out on my dick, slamming back and clenching tight around it. I brought her off, feeling her arse pulse around my shaft, then I lost it totally too, pumping loads of spunk inside her butt.

The following morning, she asked what I'd be telling my mates about her down the pub. I said I'd tell them I was coming back for seconds that night. And that's exactly what happened!

Jasper, Southport.

HOLLY

Holly and her exceedingly good tits are having a tea party and she's spared no expense with the French Fancies and Cherry Bakewells. But like most girls she has a short attention span and a ravenous appetite for sex so while waiting for her guests to turn up, even a hunk of Battenberg starts to look like it's up for it. "I fantasise about a load of people turning up and finding me here naked. I'd feel shame, embarrassment... and then overwhelming horniness!"

and by now soaking wet with excitement.

Well lubricated with pussy

took me to the local cemetery and led me to a nice grassy corner.

Benedict unzipped his trousers and let them drop to the floor. His cock was standing out proudly and I wrapped my fingers around it. It was average in length, and hot and thick.

Neither of us said anything because we knew what each other were thinking. I pulled my skirt right up out of the way and Benedict knelt between my thighs.

He guided his knob until it touched my swollen mound and thrust forward.

RIPPLES OF PLEASURE FILLED MY CUNT

He rubbed my pussy for some time before I decided it was time to go somewhere a little more private. He said OK, and led me outside. He

guy called Benedict. We got chatting and he was very forward. He put his hand on my leg and stroked my stockings. He asked me if I was wearing any knickers.

I said I was, but

that I could soon change that. I slipped off to the loos and came back with my knickers in my handbag.

When I sat down Benedict worked his hand under my skirt, past my stocking tops and eventually to my naked pussy. It was shaven smooth

Outdoor Pull

Tanya and I both love outdoor sex, especially when someone else is watching. If they get involved, even better.

One warm day last summer we decided to have our first ever outdoor threesome. We have enjoyed three, four and even six at a time in bed, but never outdoors.

We collected our friend and fellow perv, Mark, who

fancies Tanya and is happy to take pictures of us fucking, and set off to the coast. We had a few drinks in the beer garden while Tanya flashed her cunt to the people on the next table.

Tanya was getting very wet knowing her pussy was on display, and it was time to take a few photos. We walked onto the cliff top and spread out the blanket.

Tanya posed as Mark took some snaps. From the look of some people back in the car park they could obviously see what was going on.

Tanya began to finger her clit and then slid her pink vibrator into her pussy. The look on her face was a picture as I knelt between her legs and took over with the vibrator.

I slowly fucked her with it while she wanked her clit. Mark was clicking away furiously as Tanya pushed me onto the grass and knelt alongside me.

She continued to fuck herself with the vibe while she unzipped my trousers. My cock was as stiff as

TANYA,
GATESHEAD

it'd ever been. She bent over me and took it into her mouth.

Mark put down the camera and quickly struggled out of his clothes. Tanya was on her knees sucking my cock while Mark got behind her.

His dick soon replaced the plastic one in her cunt. Every time he thrust into her she moaned and sucked my cock harder.

Mark had hold of her

As my orgasm took me over I thrust myself back, impaling myself on his thick prick. This was too much for Benedict and he too started to cum.

His cock swelled and jerked and then fired several times. He entered the entire contents

Benedict knelt behind me and in one thrust entered my waiting cunt. I moaned again as he started his fast steady strokes, pushing his cock all the way up me until he could push no further.

of his swollen balls into me. It felt fantastic as he filled me full of his hot sticky spunk.

Eventually I left the cemetery, knickerless, well fucked and with sticky man-fat running down my thighs. I'll be going out on my own again soon!

she wanked and sucked on me.

Tanya was the first to cum and began to shudder as the orgasm spread through her. We flipped her onto her back and swapped ends.

I held her legs wide open and pushed my tool deep into her soaking cunt. Mark's cock was glistening with her cunt juices, which she eagerly licked off.

He began to fuck her mouth and leaned over to wank her clit while I rode her really fast. As I sprayed my spunk deep into her pussy Mark pulled his cock from her mouth and shot his cum over her tits.

I pushed into her cunt as far as I could and she started to cum again, her cunt gripping my cock. Mark rocked back onto his heels as his cum rolled over

her melons.

She scooped up the spunk and lapped it from her fingers.

The car park was deserted as we walked back to the car. Do you want to put on a show with us! Contact us if you live in the area.

Oats so simple

My girlfriend Becky and I have long had a fantasy about her getting her oats with a stranger. It was essential that I could have a look as well!

**BECKY,
DORSET**

Last week Becky was going out clubbing with her friends. I made her dress in sexy underwear showing off her boobs and great round arse. She said she'd get touched up dressed like that but I said that was all the better.

I was woken the next morning by Becky standing at the side of the bed with dried spunk over her knickers. Without saying a word she slipped into bed next to me and grabbed hold of my rapidly growing hard-on.

She told me she'd been stood at the bar when this man had put his hand on her arse and started chatting to

she began to wank. Becky is a great cock-sucker and she soon had her lips wrapped around the bloke's length, while she dragged her knickers to one side and rubbed her clit.

She worked on his cock

SHE LICKED HIS COCK CLEAN BEFORE GOING

her. She made no objection, and his fingers soon slid under her skirt and stroked her pussy through her flimsy knickers.

By this point she was so turned on she suggested they went into the nearest toilets. Once inside she sat on the toilet seat with her skirt hitched up.

Becky moaned with pleasure when the bloke unzipped his trousers and took out a large cock which

until it was buried down her throat. She was past caring what I'd say, so she spread her legs and told the bloke to fuck her. She was so wet his cock slid right up her and he started pumping.

He yanked up her top and pulled her tits from the cups of her bra, pinching her nipples which caused her to cry out with pleasure. She bucked with an orgasm, and the bloke couldn't hold back any longer.

Withdrawing his cock, he fired streams of spunk over her pussy and stocking tops. She then licked

his cock clean before standing up, straightening her clothes and going back to the dance floor.

By this point in the story my cock was fit to burst and I rolled Becky over and fucked her from behind. I shot my jizz over her arse straight away. Next time I told her to bring the lucky buggar home!

Simon, Dorset.
